Dear Wildcat Families,

Student Led Conferences and FDK Progress Conferences are taking place on Thursday, November 22nd from 4:00 to 7:00 pm and on Friday, November 23rd from 9:00 a.m. to 12:00 p.m. The link below allows you to sign up for a time slot online. By using the online registration program, we are reducing our paper consumption and giving families the opportunity to schedule interviews at a time that best meets their schedule.

The link below can be entered into any Internet browser. From there, you will be directed to our school's sign up page. Locate the teacher(s) you would like to meet with, check the box beside the time slot(s) you would like and click the Submit button at the bottom of the screen. From there you will be prompted to enter your child's name(s), your name, and your email address. The program will send you an email confirmation of your selected time(s) and a reminder ahead of the event.

Student-Led Conferences are an opportunity for your child to present a portfolio and to discuss highlights and accomplishments. Our student led conferences will have three families visiting the classroom during the twenty minute time frame. Interviews for parents of FDK students provide an opportunity for the FDK teachers to update you on your child's progress to date as well as an opportunity for you to share and ask questions.

Grade 1-8 Progress Reports and FDK Communication of Learning Reports will be sent home on Friday, November 16th. We encourage all families to book a conference/interview. If you are unable to schedule a time slot using this site, or should you have any questions regarding scheduling, please contact the office directly at (519) 676-5481.
