Important Dates

Lunches for Learning..Mar.6 & 27
Grad Photo Retakes.....Mar.10
March Break.....Mar.16-20
Bingo Training.....Mar.9

March Break
March 16—20
Schools are Closed.
Have a Wonderful Week!

We say nice things,
We do nice things.
We fill each other's buckets by doing this!

Be a Bucket Filler,
Not a Bucket Dipper.

Reflex Math - is an individualized game based online math fact fluency program. It is a system for helping students with their basic math facts - addition, subtraction, multiplication and division. With engaging games, it can help students with the confidence as well as they become more fluent. Teachers are able to monitor their student's progress and celebrate their successes along the way. Thanks to Bingo funding, we were able to purchase this program to support our students math learning in Grades 1 - 8. Students can also access the program at home.

Spirit Days:

March 13th - Green Day

March 27th - Rock your Socks (Down Syndrome Awareness)

Indoor/Outdoor shoes - Please ensure that your child has shoes/boots to wear outside and also a clean pair of shoes for indoors. Indoors are very important for gym and to help keep the school clean!

Bingo Fundraising - Bingos is one of the main sources of fundraising for the school. The money fundraised helps to pay for and reduce the cost for many things like outdoor equipment, Chromebooks, athletic jerseys, furniture and Whiteboards for the Learning Commons, bussing costs, school programs and more! In order to make this happen, it takes volunteers for these Bingos. Please consider becoming a volunteer. The training is simple, and volunteering doesn't require much of your time. Contact the school and ask to speak with the Vice Principal, Rod Kilmer, for more details.

The next Bingo Training is:

Monday, March 9th

at 4:30pm

at Jackpot City

(825 Upper Canada Drive)

Donations - We continue to receive generous donations to our school such as mitts and hats for outdoor weather, food for the Snack Program and Lego for our Learning Commons. We'd like to thank those who have thought of our school and reached out to support us.

Wampum Presentation -

Dallas Sinopole, the Native Cultural Worker from Great Lakes Secondary School, presented to our intermediate students about Wampum's, Treaties and other cultural activities. In his presentation Dallas shared that Wampum's were agreements used by First Nations like the paper and pen contracts used by European Settlers. He dove into the topic of treaties and how many of the treaty agreements entered were not and have not been upheld by the Canadian Government.
