

POLICY

SUBJECT: Attendance Support Program

The Lambton Kent District School Board is committed to creating and maintaining a healthy workplace. The Attendance Support Program is a comprehensive program aimed at positively supporting the health of employees and the organization.

It is the policy of the Lambton Kent District School Board to support both individual and organizational health so all employees can attend work regularly and enhance learning opportunities for students.

Implementation Date: January 14, 2003
Revised: November 24, 2009
