## PREVENTION

### Positive School Climate: Setting the stage for safe and caring learning environments

- What projects, initiatives, embedded practices or other efforts, including but not limited to Character Development and cultural diversity awareness, are specifically designed to strengthen a positive climate at your school?

- To what extent does your school promote TRIBES, Collaborative Problem Solving, or other shared approaches that provide a frame of reference and an alignment of practices throughout the school?

- What plans do you have to enhance the above or add new elements during this school year?

### Communication: Sharing what you're doing, and what you expect of everyone

- Who are your target audiences?

- What are your messages for each?

- How are you communicating those messages?

- How will you measure the effectiveness of your communication?

## Bullying Prevention and Intervention Planning Template

### INTERVENTION

#### Collective Response: What you'll do when bullying occurs

- What avenues are available to students and parents for the safe reporting of bullying?
- What specific supports are available for students involved in bullying circumstances, whether bully, victim, or bystander?
- What consideration will be given to students who have an Individual Education Plan (IEP) or to students where bullying has been based on race, religion, gender, or sexual orientation?

### OTHER

#### What resource or training needs have you identified?

- What specific training will be provided for all staff and students on bullying prevention and intervention?

#### School Climate Survey Results

- What are the areas of strength?
- What areas require further attention?
- What action steps will you initiate to create the desired change?
