

POLICY

SUBJECT: Emergency Preparedness

It is the policy of the Lambton Kent District School Board to maintain an emergency preparedness plan.

Emergency situations require preplanning, preparation, prompt response, clear communication and coordination. Appropriate action must be initiated with confidence that safety of students and personnel will be of the highest degree possible.

The development of a high level of awareness of security and safety is important for all members of the school community.

Implementation Date: September
Revised April 27, 1999, March 29, 2005
