

REGULATIONS

SUBJECT: Extra-Curricular Programs
--

DEFINITION

Extra-Curricular Programs include intramural and interschool programs such as school clubs, athletics, musicals, and recreational activities. To meet the needs of a wide variety of students whose abilities and interests vary greatly, schools should attempt to provide many different kinds of activities.

REGULATIONS

1. Principals, with due regard for the safety and security of students, staff and volunteers, supervise and approve all aspects of the extra-curricular program.
2. Principals must ensure that the integrity of the academic program is not disrupted.
3. Any student who participates in the extra-curricular program must have on file, completed, signed consent and/or medical forms as required.
4. The Board permits schools to engage in fundraising activities and to levy user fees to support extra-curricular programs.
5. Every school must ensure equity of access in the extra-curricular programs available at the school.
6. User fees will be reviewed on an annual basis by the Superintendent responsible for secondary schools.
