

# POLICY

<b>SUBJECT:      HOMEWORK</b>
-------------------------------

The Lambton Kent District School Board recognizes that homework is useful in reinforcing what has been learned in class, preparing students for upcoming lessons, extending and generalizing concepts, teaching responsibility and helping students develop positive study habits.

Homework is effective when it is actively supported in the home and when it represents an on-going, three-way communication which involves student, teacher and parent(s).

Therefore, it is the policy of the Lambton Kent District School Board to endorse homework as a planned part of the educational process designed to enhance student learning.
