

## **POLICY**

<b>SUBJECT:      Development and Review of Board Policies and Regulations</b>
---

The words "It is the policy of the Lambton Kent District School Board" will initiate a statement, in clear and concise terms, of the Board's values and core beliefs on educational and related issues.

Policies must conform to the Education Act and Regulations and to all relevant statutes, regulations and policies of the various levels of government.

Policies usually have accompanying Regulations, which are the rules that govern the policy.

Policies and Regulations will be reviewed systematically according to Board Regulations R-AD-100.
