

REGULATIONS

SUBJECT: Development and Review of Board Policies and Regulations

1. The Board, through the Director of Education, will create, review, amend or expunge policies and regulations as required.
2. The Director of Education will present draft Policies and Regulations to trustees at Regular Meetings of the Board.
3. Trustees will review the Policies and Regulations, and:
 - a) approve the documents;
 - b) amend and approve the documents;
 - c) refer the documents back to the administration, with direction
or
 - d) create an ad hoc committee to review and revise and report back to the Board.
4. All Policies and Regulations must be approved at a Regular or Special Board Meeting.
5. The Director of Education will be accountable for the implementation of all policies, in accordance with the regulations.
6. All Board Policies and Regulations must be reviewed prior to the fourth year of implementation, or sooner if necessary.
