

REGULATIONS

Subject: Prohibition of Entrepreneurial Activities by Employees

For the purposes of this policy entrepreneurial activities shall include the advertising of, promotion of, distributing of and/or selling of products and/or activities on Board time. Board facilities and/or equipment including Internet and e-mail may be used only for Board business.

1. It will be the responsibility of each principal or supervisor to ensure that no entrepreneurial activity, as defined above, is being conducted by any employee(s) in their charge.
2. Should a principal or supervisor become cognizant of any employee(s) conducting entrepreneurial activities, as defined above, they will notify the employee(s), in writing, to cease the activities immediately.
3. Should the activities not cease as requested in #2, the principal or the supervisor will notify the appropriate superintendent.
4. The superintendent, upon notification, will:
 - (a) review the report of the principal or supervisor;
 - (b) conduct a personal investigation of the matter;
 - (c) determine appropriate disciplinary action if required.
