2009/2010 School Year Calendar Approved

Trustees approved the calendar for the 2009/2010 School Year at the Board Meeting on March 31, 2009. The calendar complies with Ministry of Education requirements and includes a minimum of 194 school days, made up of 188 instructional days and a maximum of 6 professional activity days. Ten days have been designated for secondary school examination purposes within the 194 school days. Establishing the 2009-2010 School Year Calendar, posed a unique challenge as there are not 194 possible school days between the day after Labour Day and the last day of June, the traditional school calendar.

This year, the school year will begin prior to Labour Day on Tuesday, September 1, 2009 with four instructional days for students.

Professional Activity Days are scheduled for September 25, October 23, November 13, 2009, February 1, May 7 and June 28, 2010.

The calendar will now be submitted to the Ministry of Education for final approval. The approved calendar will be posted on the Board's website.
