FUNDING FOR AUTISM SPECTRUM DISORDER PROJECT TO CONTINUE

Trustees were advised that the Ministry of Education has announced the continuation of the Collaborative Service Delivery Model Project – Autism Spectrum Disorder (ASD). This joint project between the Lambton Kent District School Board and the St. Clair Catholic District School Board has received funding for an additional year.

The Boards will be sharing collaborative practices across the district as well as across the southwest region. The local project will also support school boards entering Phase 2 of the project. Phase 2 of the Collaborative Service Delivery Model will focus on supporting seamless transitions for students with Autism Spectrum Disorder from Autism Intervention Programs to school.
