BOARD RECEIVES FUNDING FOR RIDGETOWN DISTRICT HIGH SCHOOL

As part of the approval process for capital projects, school boards are required to submit requests to issue projects for tender proposals to the Ministry of Education for approval prior to issuing them publically. The Board recently followed this process for the Ridgeway District High School.

Under the “Right Sizing and Consolidation Funding” to implement the grade 7 and 8 program at Ridgeway District High School, the Ministry is providing the Lambton Kent District School Board with \$1.9M. This will cover the cost of renovating the second floor of the high school to accommodate the Grade 7 and 8 students, installation of an elevator, refurbishing the science labs and modifications to the school yard.
