OSSTF Honours Former Trustee Isabell Carter

Former Trustee Isabell Carter was honoured by the local branch of the Ontario Secondary School Teachers' Federation last night at their Annual Meeting. Isabell received the "Commitment to Education Award" for her many years of service to the community as a Trustee. She was nominated for her selfless efforts aimed at improving local education. The award recognizes significant contributions to secondary education in Lambton Kent. Award recipients cannot be a current member of OSSTF.

Sarnia Board Room Renovations

Trustees approved the design and drawings for the Sarnia Board Room renovations at the April 12 Board Meeting and the Ministry has officially approved the funding for the project. Construction is expected to begin this summer and be completed by January 2012.

During the construction, all Regular Board Meetings will be held at the Chatham Education Centre. This is consistent with past practice when the Chatham Board Room was renovated in 2004. During the construction period, Board Meetings were held in Sarnia. Of course, special circumstances could warrant holding a Meeting in an alternative location during the construction period.

Trustee Group Picture

Every four years, a group picture is taken of the Board of Trustees to hang in each Board Office. The picture will be taken on June 14 before the Board Meeting in Chatham in the Board Room.
