

**PLUS, MINUS, INTERESTING – PLACEMAT**

## PLUS, MINUS, INTERESTING – PLACEMAT

**Place Mat:** Put the students into groups of 3 or 4 and have each student divide their Place Mat section into three other sections: Plus, Minus, Interesting. Students write in the **Plus** and every 30 seconds rotate the Place Mat so they now write on someone else's Plus section. This continues until they get their section back. Repeat this for the **Minus**, and then the **Interesting**. In the centre students place their group consensus around that issue.
