Students are NOT allowed to share lockers. All locker concerns should be directed to the main office.

The Student Handbook/Planner

An electronic version of the handbook/planner can be found on the CKSS website. Students should familiarize themselves with the rules and policies outlined in the handbook/planner.

CKSS Student Success Program

The Student Success Team works with school staff, students, parents and the wider community to ensure that, together, we help all students earn the credits necessary to graduate. Through Grade 8 to 9 Transition programs, credit recovery classes, after school homework help sessions, pathways programs, etc., CKSS is committed to the success of each and every student.

The Cafeteria

Students may purchase reasonably priced hot meals, sandwiches, salads etc. from the cafeteria. They may also bring their own lunches and eat them in the cafeteria. All food and drinks purchased in the cafeteria must be eaten there. Microwaves are available to re-heat leftovers.

Eating In and Around the School

Eating in the school is permitted in the cafeteria only. Food, snacks and beverages purchased at the variety stores must be eaten there, **NOT** on the school property. Please use garbage and recycling receptacles provided on and around the school grounds.

Your Student Council

The Student Council consists of the following executive officers: Prime Minister, Deputy Prime Minister, Secretary and Minister of Finance. In addition to this executive, every homeroom elects a representative to the Council. Their job is to make your concerns known to the Council and report meeting results to you. You will have the opportunity to elect a homeroom representative in September.

Dress Code

The dress code is based on the premise that positive clothing projects a positive image. Clothing that depicts alcohol, vulgarity, sexism, racism, profanity, illegal drugs and/or violence portrays a negative image. By the same token, tank tops for boys and spaghetti straps and backless clothing for girls, and shorts and blouses that expose the midriff are also unacceptable. Students will not wear shorts shorter than mid-thigh or clothing that shows underwear, or see through tops. Slips, bras, boxer shorts, etc. will not be worn as outerwear. In essence, students are expected to dress in a neat, clean and respectable manner. Footwear is essential at all times. Student decision making in terms of what to wear is a learning experience; however, the final decision on matters of appropriateness, rests with the Principal. A strict dress code exists in the technology area and the science labs for safety reasons.

Backpacks and Coats

Backpacks and coats are to be left in your lockers as they are a safety hazard in the classrooms.

Your Student Athletic Association

The Student Athletic Association consists of students and staff advisors. Its purpose is to assist in the operation of the athletic programme in the areas of fundraising, timing, scoring, selling foods, maintaining roster boards, and taking tickets at all athletic events. You do not have to be an athlete to join. You just have to be a willing worker.

Physical Education

Physical education students wear a white or yellow T-shirt (Hawk insignia), navy blue shorts (plain) and white socks. These are sold at registration and at the school **HAWK SHOP** during the first week of school at a cost of approximately \$25.00 including tax (**cash only**). The **HAWK SHOP** is located on the first floor at the front of the school opposite the Student Services office. We strongly recommend that you buy a uniform on registration day.

Running shoes with a non-marking sole must be worn during all gym activities. All students must carry a gym bag or backpack for their equipment. *****STUDENTS SHOULD NEVER, UNDER ANY CIRCUMSTANCES, LEAVE ANY MONEY OR VALUABLES IN THE CHANGE ROOM*****

The school may make arrangements for students to use the school vault for large sums of money and valuables.
