**Re: Removal of Crossing Guard at Christina/Durand**

On January 16, 2017 City Council approved the removal of the crossing guard located at Confederation Street and Ontario Street.

This crossing guard is located mid-block (+/- 130m) between two signalized intersections with push button activation. City staff have visited the site on a number of occasions and determined that this location no longer meets the warrant requirement as identified in the Council approved 'School Crossing Guard Warrant Policy'. This crossing guard location will be removed effective January 1, 2018.

Thank you,

Corey Saunders  
Transportation Technologist
