Education Week

The Ministry of Education has declared the week of May 6 - 10, 2024 as Education Week across Ontario. For 2024, the theme is **Back to Basics**. We will be having a talent show this week to highlight the amazing talents of our students. Plans are underway for some other activities during this week. As always, our focus is Every Student, Every Day.

Track and Field

We will once again be going to Chatham Kent Secondary School for our school's meet this year. All students in grades 4-6 will be able to participate and they will be picking what events they want to participate in over the next few weeks. Busing will be available for those that need it, and buses will be leaving the school first thing in the morning. Please ensure your child is at school by 9:15 at the latest on May 28. In the case of inclement weather, we will let parents know as soon as possible if the event is being canceled or not. We do have a rain date of May 30 booked at CKSS, but hopefully won't need it!

Virtual School Council Meeting

Our next virtual school council meeting is scheduled for Monday, April 29th at 6:30pm. All parents/guardians are welcome. If you are interested, please contact the office to be added to the email list to receive your link to the meeting online.

School Cash Online

There are currently 3 items up on School Cash Online. We are selling freezies as a way to raise money for our musical next year. There are also some more popcorn and pizza days for the month of May.

Kindergarten Registration

There is still time to register your child for Junior Kindergarten or Senior Kindergarten for next year. Please follow the link below to register your child online:

The flyer features a dark green background with a pattern of light green triangles. It includes three diamond-shaped photo cutouts: one showing hands pointing to text in a book, one showing a woman smiling while a child works at a desk with colorful markers, and one showing a woman and a child looking at a book together.
