KNIGHTS ARE ALLSTARS

Last month we hosted a travelling exhibit featuring the All-Black Chatham All Stars Champion Baseball team of 1934. Students did some learning about this groundbreaking team and the school opened up to the community to show off the exhibit. While doing some learning about the team, Ms. Coatsworth's grade 7/8 class became aware that the team had been denied induction to the Canadian Baseball Hall of Fame again. They started a petition to gather community support for the team's induction.

The student's work and petition got media attention and over 1000 signatures both digital and on paper. We are so proud of the stand the students are taking and encourage our community to stand behind them by signing the petition as well. Go to change.org and search for Chatham All Stars to sign.

HEALTH UNIT SUSPENSION DAY

If your child's vaccinations are not up to date with the Health Unit you would have received several notices from the school and the Health Unit in order to avoid suspension.

The Health Unit suspension day is Tuesday March 5th. Students who don't have their vaccination information up to date with the Health Unit will not be able to attend school until they are off the Health Unit's list.

Please call the Health Unit for more information about your child's vaccinations as the school does not store or update student medical information. You can reach the Health Unit at: 519-355-1071 or visit them at 177 King St. East, Suite 2 (behind the WISH).
