## **Education Week May 2 to 6, 2016**

The Ministry of Education has declared the week of May 2<sup>nd</sup> to May 6<sup>th</sup> as Education Week across Ontario. This year's theme is ***Achieving Excellence: Promoting Well-Being.***

The Lambton Kent District School Board and its staff strive to build positive relationships with our students which in turn impacts their learning, physical development and well-being. LKDSB also recognizes and thanks the Chatham-Kent and Lambton Public Health Units and our many community partners for the important role they play in contributing to the success of our students.

"On behalf of our trustees, administrators, teachers and staff, we invite you to visit our schools to see examples of the learning opportunities which occur in LKDSB elementary and secondary schools every day", stated Director Costello. "Best wishes to all for a successful Education Week and congratulations to our students, staff and volunteers for their efforts on behalf of **Every Student, Every Day.**"

Education Week activities in our schools may be found by visiting:
