

**Sub-Committee: Extra Curricular**  
Kristan Blair (H. W. Burgess Grade 7/8)

**Grade 7-8**

Keep 5 sanctioned sports (cross country, soccer, volleyball, basketball, track and field)  
Perhaps have more than one team if student and coaches are available  
Teams to play in county which we already play in (includes Dresden, Zone, Walpole, Riverview, Thamesville, and Dawn Euphemia)  
Recommendation is to possibly play against Chatham schools  
Need to wait to see number of students and who teachers are for coaching (most likely May)  
Track and Field at WDSS for grades 7&8 students – we recommend that this day is run on the back campus of the high school. Will most likely take 4 vs. the usual 2 students per event to the county meet.

**Grades 4-6**

Recommendations: keep intramural teams based on student interest and staff (to be played at recess)  
Perhaps begin with a soccer team to play at each school. AAW to play HWB.  
Cross country to be run as usual but we will have to wait and see if they will compete as a Wallaceburg team or as each separate school.  
Track and field will run as usual at HWB and AAW and students who qualify will move on to county meet under their individual schools  
We would like to try to have junior volleyball teams at HWB and AAW to play each other  
In the future, we might want to try to incorporate Walpole, Riverview and Dresden to play junior sports against.

**Clubs/Groups**

We would like to keep a Student Council all three schools (WDSS, HWB and AAW)  
Students would run for positions available as long as there is an interest and the teachers required.  
Suggestion that the Prime Minister and Deputy would sit on WDSS Student Council  
We would like to keep the Equity and Inclusion Teams at all of the schools – again depending on staff and students  
We would like to EVENTUALLY attempt to “cross over” into the high school in hopes of joining clubs such as music and drama, etc. This would depend on staff participation at both levels and student interest  
  
Students have been asked for input about clubs, teams, groups they would like to see in the next few years  
Team names colours, uniforms, etc. to be determined at a later date
