NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

1. SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements are prepared by the Board's management in accordance with the basis of accounting described below:

(a) BASIS OF ACCOUNTING

The consolidated financial statements have been prepared in accordance with the Financial Administration Act supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act.

The Financial Administration Act requires that the consolidated financial statements be prepared in accordance with the accounting principles determined by the relevant Ministry of the Province of Ontario. A directive was provided by the Ontario Ministry of Education within memorandum 2004:B2 requiring school boards to adopt Canadian public sector accounting standards commencing with their year ended August 31, 2004 and that changes may be required to the application of these standards as a result of regulation.

In 2011, the government passed Ontario Regulation 395/11 of the Financial Administration Act. The Regulation requires that contributions received or receivable for the acquisition or development of depreciable tangible capital assets and contributions of depreciable tangible capital assets for use in providing services, be recorded as deferred capital contributions and be recognized as revenue in the consolidated statement of operations over the periods during which the asset is used to provide service at the same rate that amortization is recognized in respect of the related asset. The regulation further requires that if the net book value of the depreciable tangible capital asset is reduced for any reason other than depreciation, a proportionate reduction of the deferred capital contribution along with a proportionate increase in the revenue be recognized. For Ontario school boards, these contributions include government transfers, externally restricted contributions and, historically, property tax revenue.

The accounting policy requirements under Regulation 395/11 are significantly different from the requirements of Canadian public sector accounting standards which require that;

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410;
- externally restricted contributions be recognized as revenue in the period in which the
 resources are used for the purpose or purposes specified in accordance with public sector
 accounting standard PS3100; and
- property taxation revenue be reported as revenue when received or receivable in accordance with public sector accounting standard PS3510.

As a result, revenue recognized in the consolidated statement of operations and certain related deferred revenue and deferred capital contributions would be recorded differently under Canadian Public Sector Accounting Standards.

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(b) REPORTING ENTITY

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Board and which are controlled by the Board.

Consolidated entities

1) School Generated Funds

School generated funds, which include the assets, liabilities, revenues and expenses of various organizations that exist at the school level and which are controlled by the Board are reflected in the consolidated financial statements.

2) Chatham-Kent Lambton Administrative School Services

Chatham-Kent Lambton Administrative School Services is jointly controlled and the Board accounts for its interest in this entity using proportionate consolidation (Note 11).

Interdepartmental and inter-organizational transactions and balances between these organizations are eliminated.

(c) TRUST FUNDS

Trust funds and their related operations administered by the Board have been included in the consolidated financial statements as they are controlled by the Board.

(d) INVESTMENTS

Investments consist of marketable securities which are recorded at cost. Investments are assessed regularly for impairment and are written down if a permanent impairment exists.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) TANGIBLE CAPITAL ASSETS

Tangible capital assets are recorded at historical cost less accumulated amortization. Historical cost includes amounts that are directly attributed to acquisition, construction, development or betterment of the asset, as well as interest related to financing during construction. When historical cost records were not available, other methods were used to estimate the costs and accumulated amortization.

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

Tangible capital assets, except land, are amortized on a straight-line basis over their estimated useful lives as follows:

Asset	Estimated Useful Life in Years
Buildings	40
Portable structures	20
First-time equipping of schools	10
Equipment and furniture	5-15
Computer hardware	5
Computer software	5
Vehicles	5-10
Land improvements	15

Assets under construction are recorded as construction in progress and are not amortized until the asset is completed and placed into service.

Land permanently removed from service and held for resale is recorded at the lower of cost and estimated net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing. Buildings permanently removed from service and held for resale cease to be amortized and are recorded at the lower of carrying value and estimated net realizable value.

Tangible capital assets which meet the criteria for financial assets are reclassified as "Assets held for sale" on the consolidated statement of financial position.

(f) DEFERRED REVENUE

Certain amounts are received pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs or in the delivery of specific services and transactions. These amounts are recognized as revenue in the fiscal year the related expenses are incurred or services performed.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(g) DEFERRED CAPITAL CONTRIBUTIONS

Contributions received or receivable for the purpose of acquiring or developing a depreciable tangible capital asset for use in providing services, or any contributions in the form of depreciable tangible assets received or receivable for use in providing services, shall be recognized as deferred capital contributions as defined in Ontario Regulation 395/11 of the Financial Administration Act. These amounts are recognized as revenue at the same rate as the related tangible capital asset is amortized. The following items fall under this category:

- Government transfers received or receivable for capital purpose
- Other restricted contributions received or receivable for capital purpose
- Property taxation revenues which were historically used to fund capital assets

(h) RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS

The Board provides defined retirement and other future benefits to specified employee groups. These benefits include pension, life insurance, and health care benefits, retirement gratuity, worker's compensation and long-term disability benefits.

As part of ratified labour collective agreements for unionized employees that bargain centrally and ratified central discussions with the principals and vice-principals associations, the following Employee Life and Health Trusts (ELHTs) were established in 2016-17: ETFO, OSSTF, OECTA, and AEFO. The following ELHTs were established in 2017-2018: CUPE, EWBT, and ONE-T for non-unionized employees including principals and vice-principals. The ELHTs provide health, life and dental benefits to teachers (excluding daily occasional teachers), education workers (excluding casual and temporary staff), other school board staff and retired individuals up to a school board's participation date into the ELHT. These benefits are being provided through a joint governance structure between the bargaining/employee groups, school board trustees associations and the Government of Ontario. The Board is no longer responsible to provide certain benefits to ETFO and OSSTF. School boards are required to remit a negotiated amount per full-time equivalency (FTE) on a monthly basis. Funding for the ELHTs is based on the existing benefits funding embedded within the Grants for Student Needs (GSN) and additional ministry funding in the form of a Crown contribution and Stabilization Adjustment.

Depending on prior arrangements and employee group, the Board provides health, dental and life insurance benefits for retired individuals for all groups and continues to have a liability for payment of benefits for those who are on long-term disability and for some retirees who are retired under these plans.

The Board has adopted the following policies with respect to accounting for these employee benefits:

(i) The costs of self-insured retirement and other employee future benefit plans are actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, insurance and health care costs trends, disability recovery rates, long-term inflation rates and discount rates. The cost of retirement gratuities are actuarially determined using the employee's salary, banked sick days and years of service as at August 31, 2012 and management's best estimate of discount rates. Any actuarial gains and losses arising from changes to the discount rate are amortized over the expected average remaining service life of the employee group.

For self-insured retirement and other employee future benefits that vest or accumulated over the periods of service provided by employees, such as life insurance and health care benefits for retirees, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average service life of the employee group.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(h) RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS (continued)

For those self-insured benefit obligations that arise from specific events that occur from time to time, such as obligations for worker's compensation, long-term disability and life insurance and health care benefits for those on disability leave, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to these benefits are recognized immediately in the period they arise.

- (ii) The costs of multi-employer defined pension plan benefits, such as the Ontario Municipal Employees Retirement System pensions, are the employer's contributions due to the plan in the period.
- (iii) The costs of insured benefits are the employer's portion of insurance premiums owed for coverage of employees during the period.

(i) GOVERNMENT TRANSFERS

Government transfers, which include legislative grants, are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made. If government transfers contain stipulations which give rise to a liability, they are deferred and recognized in revenue when the stipulations are met.

Government transfers for capital are deferred as required by Regulation 395/11, recorded as deferred capital contributions (DCC) and recognized as revenue in the consolidated statement of operations at the same rate and over the same periods as the asset is amortized.

(i) INVESTMENT INCOME

Investment income is reported as revenue in the period earned.

When required by the funding government or related Act, investment income earned on externally restricted funds such as pupil accommodation, education development changes and special education forms part of the respective deferred revenue balance.

(k) BUDGET FIGURES

Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Trustees. The budget approved by the Trustees is developed in accordance with the provincially mandated funding model for school boards and is used to manage program spending within the guidelines of the funding model.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

(1) USE OF ESTIMATES

The preparation of consolidated financial statements in conformity with the basis of accounting described in Note 1.(a) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the year. Accounts subject to significant estimates include the estimated useful life of tangible capital assets and the liability related to employee benefits payable. Actual results could differ from these estimates.

(m) PROPERTY TAX REVENUE

Under Canadian Public Sector Accounting standards, the entity that determines and sets the tax levy records the revenue in the consolidated financial statements, which in the case of the Board, is the Province of Ontario. As a result, property tax revenue received from the municipalities is recorded as part of Provincial Legislative Grants.

2. ACCOUNTS RECEIVABLE - GOVERNMENT OF ONTARIO

The Government of Ontario replaced variable capital funding with a one-time debt support grant in 2009-2010. Lambton Kent District School Board received a one-time grant that recognized capital debt as of August 31, 2010 that is supported by the existing capital programs. The Board receives this grant in cash over the remaining term of the existing capital debt instruments. The Board may also receive annual capital grants to support capital programs which are also reflected in this accounts receivable.

The Board has an amount receivable from the Government of Ontario of \$38,062,411 (2019 - \$46,538,691) with respect to this capital debt support grant and is included in accounts receivable on the consolidated statement of financial position.

The Ministry of Education introduced a cash management strategy effective September 1, 2018. As part of the strategy, the ministry delays part of the grant payment to school boards where the adjusted accumulated surplus and deferred revenue balances are in excess of certain criteria set out by the Ministry. The balance of delayed grant payments included in the receivable balance from the Government of Ontario at August 31, 2020 is \$27,812,916 (2019 - \$19,398,314).

3. ACCOUNTS RECEIVABLE - MUNICIPALITIES

Due to the response to COVID-19, the Province of Ontario extended the deadlines from municipalities to pay Education Property Tax (EPT) amounts to the Board. This amount from the Board was \$19,998,762 (2019 - \$6,902,046) and has been included in accounts receivable on the statement of financial position. This amount will be recovered fully by the Board in the following year.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

4. INVESTMENTS

Investments consist of various marketable securities and are comprised as follows:

	20	020	2019

6. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS

Actuarial Valuation of Future Benefits Liabilities

The Board engaged a qualified actuary to perform a valuation of the liabilities for employee future benefits liabilities. The valuation specifically addresses the liability for retirement gratuities, carry-over sick leave benefits and Workers' Compensation benefits.

The last full actuarial valuation was completed as at August 31, 2019 based on data provided as at the valuation date. The valuation was completed in accordance with the requirements of the CPA Canada Public Sector Handbook. For 2020, the actuary has provided estimates, as follows, of the future benefit amounts based on information available at the time of the estimates. Retirement gratuities are based upon an extrapolation of the August 31, 2019 actuarial valuation. Other Employee Future Benefits are based upon valuations as at August 31, 2020.

The following amounts were provided by the actuary and are included in the Board's consolidated financial statements.

Actuarial Assumptions

The accrued benefit obligations for employee future benefit plans as as August 31, 2020 are based on actuarial assumptions for future events determined for accounting purposes as at August 31, 2019 and based on updated average daily salary and banked sick days as at August 31, 2020. These valuations take into account the plan changes outlined above and the economic assumptions used in these valuations are the Board's best estimates of expected rates of:

Retirement benefits

(i) Ontario Teachers' Pension Plan

Teachers and related employee groups are eligible to be members of Ontario Teachers' Pension Plan. Employer contributions for these employees are provided directly by the Province of Ontario. The pension costs and obligations related to this plan are a direct responsibility of the Province. Accordingly, no costs or liabilities related to this plan are included in the Board's consolidated financial statements.

(ii) Ontario Municipal Employees Retirement System

All non-teaching employees of the Board are eligible to be members of the Ontario Municipal Employees Retirement System (OMERS), a multi-employer pension plan. The plan provides defined pension benefits to employees based on their length of service and rates of pay. The Board contributions equal the employee contributions to the plan. During the year ended August 31, 2020, the Board contributed \$3,207,487 (2019 - \$3,224,101) to the plan. As this is a multi-employer pension plan, these contributions are the Board's pension benefit expenses. No pension liability for this type of plan is included in the Board's consolidated financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

6. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS (continued)

Retirement benefits (continued)

(iii) Retirement Gratuities

The Board provides retirement gratuities to certain groups of employees hired prior to specified dates. The Board provides these benefits through an unfunded defined benefit plan. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. The amount of the gratuities payable to eligible employees at retirement is now based on their salary, accumulated sick days, and years of service at August 31, 2012.

Other Employee Future Benefits

(i) Workplace Safety and Insurance Board Obligations

The Board is a Schedule 2 employer under the Workplace Safety and Insurance Act and, as such, assumes responsibility for the payment of all claims to its injured workers under the Act. The Board does not fund these obligations in advance of payments made under the Act. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. Plan changes made in 2012 require school boards to provide salary top-up to a maximum of 4 1/2 years for employees receiving payments from the Workplace Safety and Insurance Board, where the previously negotiated collective agreement included such provision.

(ii) School Boards Co-operative Inc.

The Board is a member of the School Boards' Co-operative Inc., a co-operative managing workers' compensation. The Board makes annual contributions, in trust, to the co-operative which are invested on its behalf. The fund reimburses Workplace Safety and Insurance Board for claims paid on behalf of the Board. As at August 31, 2020, the co-operative holds \$101,981 (2019 - \$102,654) in trust for the Board.

(iii) Sick Leave Top-Up Benefits

A maximum of eleven unused sick leave days from the current year may be carried forward into the following year only, to be used to top-up salary for illnesses paid through the short-term leave and disability plan in that year. The benefit costs expensed in the consolidated financial statements are \$62,533 (2019 - \$87,642), a result of changes made in 2012-2013 to the short-term sick leave and disability plan.

For accounting purposes, the valuation of the accrued benefit obligation for the sick leave top-up is based on an actuarial assumptions about future events determined as at August 31, 2019 and is based on the average daily salary and banked sick days of employees as at August 31, 2020.

6. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS (continued)

Other Employee Future Benefits (continued)

The Board has restricted a portion of its accumulated surplus for certain of these employee future benefit obligations. The balance of these internal appropriations totalled \$7,982,935 at August 31, 2020 (2019 - \$8,914,664).

Other Employee Benefits

Prior to transitioning to the Ministry established Benefit Trusts, the Board had established an ASO benefit plan for the health and dental benefits for its employees. It had also established a refund accounting benefit plan for the life insurance benefits of that same group. The Board made annual premium contributions to the plans based on rates established by the plan administrator. The annual contributions are reported as expenditures in the consolidated financial statements.

At August 31, 2020, the Board had a surplus in the ASO health and dental plan of approximately \$2,383,656 (2019 - \$2,012,000). \$21,828 was set up as a liability for retirees as this group has not transferred to the Benefit Trusts. The remaining amount was split, based on contribution rates, between the Board and the Unions. \$2,007,554 was recognized as income in the year by the Board. The remaining \$354,274 will be transferred by the Benefit Provider to the Benefit Trusts.

At August 31, 2020, the Board had a surplus in the refund accounting benefit plan for the life insurance benefits of approximately \$2,171,490 (2019 - \$2,142,665). The remaining amount was split, based on contribution rates, between the Board and the Unions. \$1,656,510 was recognized as income in the year by the Board. The remaining \$514,980 will be transferred by the Benefit Provider to the Benefit Trusts.

7. LONG-TERM DEBT (continued)

The Board must comply at all times with the Board's obligations in respect of the debt and financial obligations and liability limits applicable to it under the Education Act and the regulations made thereunder. Failure by the Board to pay any principal, interest, fees or other amounts payable by it under these loan agreements constitutes an event of default. The Minister of Finance is entitled to deduct from monies appropriated by the Legislature for payment to the Board amounts equal to any amounts that the Board fails to pay under these loan agreements.

Interest expense on long-term liabilities amounted to \$1,539,329 (2019 - \$1,733,856).

Principal and interest repayments required on long-term debt are approximately as follows:

	Princ	ipal Int	terest	Total

10. ONTARIO SCHOOL BOARD INSURANCE EXCHANGE (OSBIE)

The School Board is a member of the Ontario School Board Insurance Exchange (OSBIE), a reciprocal insurance company licensed under the Insurance Act. OSBIE insures general public liability, property damage and certain other risks. Liability insurance is available to a maximum of \$27,000,000 per occurrence.

The ultimate premiums over a five-year period are based on the reciprocal's and the Board's actual claims experience. Periodically, the Board may receive a refund or be asked to pay an additional premium based on its pro rata share of claims experience. The current five-year term expires December 31, 2021.

11. PARTNERSHIP WITH ST. CLAIR CATHOLIC DISTRICT SCHOOL BOARD

Transportation, supervision of childcare services, Energy and Environmental and Community Use of Schools services for the Board are provided by Chatham Kent Lambton Administrative School Services (CLASS) in partnership with the St. Clair Catholic District School Board. Under the agreement created at the time CLASS was established, decisions related to the financial and operating activities of CLASS are shared. Neither partner is in a position to exercise unilateral control.

This entity is proportionately consolidated in the Board's consolidated financial statements whereby the Board's pro-rata share of assets, liabilities, revenues and expenses of the consortium are included in the Board's consolidated financial statements. Inter-organizational transactions and balances have been eliminated.

12. CONTRACTUAL OBLIGATIONS AND CONTINGENT LIABILITIES

In the normal course of operations, the Board becomes involved in various claims and legal proceedings. No provision has been made in the consolidated financial statements as the outcome is not determinable at this time. The settlement amount, if any, in excess of liability insurance coverage will be accounted for in the year determined. It is the opinion of the Board that their resolution will not have a material adverse effect on the Board's financial position or results of operations.

The Board has entered into contractual agreements for capital projects that were not completed by August 31, 2020. The total costs to complete these projects are estimated to be approximately \$7,009,451 (2019 - \$3,573,506).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

13. TEMPORARY BORROWING

The Board has entered into a credit facilities agreement with the Canadian Imperial Bank of Commerce (CIBC) which provides a demand operating line. The demand operating line has a maximum credit limit of \$15 million. All amounts advanced under this facility are to be used for current expenditures.

Interest on this credit facility is calculated on the basis of the provisions of the CIBC Offsetting Banking Agreement for the ChathamKent Lambton Administrators Group. This agreement outlines that interest will be charged at a rate of CIBC prime less 0.75%.

No amounts were advanced under this facility during the year (2019 - \$nil).

14. ACCUMULATED SURPLUS

Accumulated surplus (deficit) consists of the following:

	 2020	2019
Surplus/(Deficit)		
Invested in non-depreciable tangible capital assets	\$ 1,518,050 \$	1,522,050

15. REPAYMENT OF "55 SCHOOL BOARD TRUST" FUNDING

On June 1, 2003, the Board received \$9,995,250 from The 55 School Board Trust for its capital related debt eligible for provincial funding support pursuant to a 30 year agreement it entered into with the trust. The 55 School Board Trust was created to refinance the outstanding not permanently financed (NPF) debt of participating boards who are beneficiaries of the trust. Under the terms of the agreement, The 55 School Board Trust repaid the Board's debt in consideration for the assignment by the Board to the trust of future provincial grants payable to the Board in respect of the NPF debt.

As a result of the above agreement, the liability in respect of the NPF debt is no longer reflected in the Board's financial position.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AUGUST 31, 2020

16. CONTRACTUAL RIGHTS

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. The Board's contractual rights arise because of contracts entered into the lease/rental of space to others and the sale of electricity. The following table summarizes the contractual rights of the Board for future assets:

	2021	2022	2023	2024		2025
