## YOUR CHILD IS SICK...

AND was told to stay home from school (by the Ontario COVID-19 Screening Tool) or has been sent home from school with symptoms...

AND in the last 14 days has not travelled outside of Canada

OR been told they are a close contact of someone who tested positive for COVID-19.

To return to school your child must complete ONE of the following:

- Get tested for COVID-19. Your child must isolate at home until a NEGATIVE result is received AND they are feeling well for at least 24 hours. CK Public Health will contact those who test positive with further direction.
- Contact a Health
  Care Provider (HCP).
  If a HCP gives a
  different diagnosis,
  your child may return
  once feeling well for
  24 hours OR as
  directed by the HCP.
  A medical note is not
  required.
- If you decide not to complete one of the other options, your child must isolate at home for 14 days from the day symptoms started AND be well for 24 hours.

\*Other children in the household may attend school unless advised otherwise by CK Public Health\*
