**Attention: Physical Education teachers, Club Organisers, Homeroom teachers,
School Staff**

Re: Dante Club Bocciofila Cornhole and Bocce Rentals

The Bocciofila Club of Sarnia is proud to announce that we now have day programs available to schools and students. For as low as **\$10 / student**, you can come and enjoy 2 hours of fun at the Bocciodromo playing either cornhole or bocce. This is a perfect outing for gym classes, clubs, sports teams, or anybody trying to change up their curriculum routine.

Cornhole is one of the largest growing sports in North America, combining both hand and eye coordination as well as strengthening your legs and your core. It is a sport that anybody at any age can enjoy. Along with developing hand and eye coordination, Bocce will also add a strategic dimension, helping students develop their critical thinking skills used in many games and sports.

Our facility allows up to 32 participants to play at one time. Our staff can also help you set up a tournament style outing or simply enjoy yourselves playing freestyle. Instruction can also be offered for those new to the game.

Looking to extend your outing with lunch? We can discuss catering options with the delicious offerings of the Dante Club kitchen. For more information, contact Luc @ 519 542-8578 or email at bocce@danteclubsarnia.ca

We thank you in advance for your time,

Sincerely,

Luc Lemieux
General Manager
Dante Club Bocciofila
