

POLICY

SUBJECT: PERFORMANCE OF MEDICAL AND PHYSICAL PROCEDURES FOR STUDENTS

It is the policy of the Lambton Kent District School Board that the administration of medication to and/or the performance of physical procedures for students is primarily the responsibility of their parents or guardians in conjunction with trained medical personnel; however, the Lambton Kent District School Board recognizes that, on occasion, there will be the need for school staff to administer medication and/or perform physical procedures to students during the school day in order to minimize the disruption of learning for such students.
