4.0 PROCESS COMPONENTS

Responsibility

The Superintendent of Education - Special Education shall be responsible to oversee this protocol.

Working Agreement Expectations

The expectation of all working agreements shall be to enhance the quality and effectiveness of education for students. Working agreements must enhance and supplement but not duplicate the delivery of services of professional student support services staff and/or paraprofessional staff and not violate collective agreements.
Programs and Services

Professional student support services personnel provide diverse and flexible services in enabling students to reach their full potential. The supports are essential for the delivery of programs and services for all students and particularly those with special needs.

Eligibility

Working agreements may be considered for approval for interventions that involve groups of students, classroom programs or school wide initiatives and for which an appropriate Lambton Kent District School Board employee is present. Lambton Kent District School Board staff presence is mutually beneficial as it will assist external providers in the delivery of the program and/or services and will increase board staff’s capacity in delivering supports.

5.0 PROCEDURES FOR ESTABLISHING A WORKING AGREEMENT

Working agreements will be most relevant and pertinent when developed in a collaborative and coordinated effort between school staff, professional student support services personnel, paraprofessionals and community service providers. Seeking input from students and parents is encouraged as they can typically speak directly to the relevance and interest in intervention programs. Even in situations where school based programs have been previously developed and implemented in other Lambton Kent District School Board schools, consideration for individual school preferences should be given.

As such, the starting point for development of Working Agreements should be collaboration between external agency personnel and the school Principal, professional student support services personnel and other relevant school staff. In situations where a program has been previously implemented in Lambton Kent District School Board schools, the working agreements should be reviewed and tailored to the specifics of a school(s). Note that a single working agreement could involve a series of Lambton Kent District School Board schools.

Initial information regarding the suitability or possibilities of a working agreement can be directed as follows:

5.1.1 Mental Health Agreements – Mental Health Lead, Manager of Psychological Services and/or System Coordinator of Special Education
5.1.2 Speech and Language Agreements – Special Education Coordinator and/or System Coordinator of Special Education
5.1.3 Students with Autism Needs – Special Education Coordinator and/or System Coordinator of Special Education

Following agreement by the local school and following completion of required documentation, Working Agreements will be approved by the Superintendent of Education – Special Education prior to any implementation. Renewal of a Working Agreement following an evaluation of the effectiveness of the programs and/or services provided will be completed on an annual basis by confirming that information regarding the program and/or services will be consistent with the original request.

6.0 MAINTAINING A WORKING AGREEMENT

Working agreements must be in keeping with the Lambton Kent District School Board vision and mission statements and existing policies and procedures.

The Principal is responsible for the organization and management of the school, per the Education Act and monitoring external providers and/or their staff/contractors while on school property.

Principals should consult with their Special Education Coordinator or the System Coordinator of Special Education regarding issues of professional conduct, service delivery and quality assurance.
Where the meeting/presentation being considered will consist of information related to mental health, the Mental Health Lead should be consulted to the information that the organization intends to share with the student(s) is consistent with the Board's context, direction, and messaging.

Respect for the Board's collective agreements with unionized staff: services provided by external providers must not be in conflict with provisions of collective agreements with Board staff (e.g. O.S.S.T.F., C.U.P.E., and E.T.F.O.)

A joint advisory committee, which will consist of no less than two representatives from the Lambton Kent District School Board and no less than two representatives of the external provider, will be convened in the event that a disagreement or dispute between the parties must be resolved.

All staff from external agencies must agree to adhere to the Board’s policies and procedures, including but not limited to the Board’s standards of confidentiality, equity, safe schools, suspected child abuse reporting, freedom from harassment policy and human rights.

The external provider is required to name the Board as an insured and to provide assurances that their staff is covered while working on Lambton Kent District School Board property.

Evaluation

School boards, external agencies and professional student support personnel and paraprofessionals must collaborate on the evaluation of programs and services provided for yearly review. Proposed methods of evaluation along with proposed tools should be included with the Working Agreement. The agency is required to submit a report of the completed evaluations to the Board so that an assessment of the impact and effectiveness of the program/service can be undertaken by the Board.

Finances

Statement of any fees or payment is required prior to the approval of the Working Agreement.

Termination Agreement

The terms of termination should be specified in each Working Agreement. It will be understood that the Principal or Board may terminate access to the school premises of any external provider’s staff or contractors including any Professional/Paraprofessional/Supervisor at any time. The external provider or the Lambton Kent District School Board may terminate the Working Agreement on the giving of thirty days written notice.
