The Special Education Advisory Committee of the Lambton Kent District School Board meets on a monthly basis during the regular school year. Meetings are normally held on the third Thursday of each month at 6:00 p.m. The exact date and place of any specific meeting may be confirmed by calling the Sarnia Board Office at 336-1500, extension 31495. Information may also be obtained by visiting the [Board website](#).

Meetings are open to the public and a time is reserved on the agenda of each meeting to permit questions from any member of the public. Brief replies, if known, may be provided at the meeting; however, the usual practice is to forward answers, in writing, at a later date.

FIRST NATIONS/ INDIGENOUS REP:

If your question deals with a particular child or school, rather than a general special education concern, it is suggested that you contact the Teacher, Principal, or Student Support Services/Well-Being Coordinator of your child's school.

The views of residents of Chatham-Kent and Sarnia-Lambton relative to special education programs and services are welcomed and encouraged.
