

### A Day in the Life of an Alexander Mackenzie Mustang

- Students will arrive at school and **proceed directly to their designated class**. Students will attend Period A all day, every day for one week. The next week will be Period B all day, every day. This will continue until November. Period C and D will run the same way (week by week) from November to the end of semester one.
- **Students will be required to wear a mask when they enter school.** Students should bring their own cloth mask or medical Personal Protective Equipment (PPE) to wear throughout the day.
- Students will get off the bus immediately enter through specific doors depending on the location of their class. Look for the big red number on the doors. All other doors will be locked.
  - **Door #1 Front Entrance:** Portables, Shop Classes, and Foods
  - **Door #2 Courtyard South:** Phys-ed, rooms 40-50, and Resource Room.
  - **Door #3 Courtyard North:** PSW, Rooms 58-64, Library Art Room 80
  - **Door #4 Northeast Door:** Room 67-78 including Horticulture.
- Students will not have lockers. Please take all belongings to your class. Please limit bags and belongings.
- Please follow social distancing guidelines giving at least 1 meter of space between individuals.
- Students will have mask breaks throughout the day. Students will be invited outside, remain with their class, and use this time for a mask break.
- **Students will remain in their class for lunch.** Students are asked to bring their own lunch at this time. Masks can be removed when eating lunch. Please continue to social distance during lunch break.
- **All breaks and lunchtime will be with your class group and supervised.**
- Snack baskets will be provided to each class every morning. Students will have access to food every day.
- Traffic in the hallways will be like the roads, please stay to the right when traveling in the halls. Practice social distancing at all times.
- Bathroom breaks will occur as usual. Signs will be posted on the doors to let you know how many can be in the washroom at a time. Please wait outside the door if the washroom is at capacity. Use masks and social distancing when using the washroom.
- Handwashing and sanitization stations will be available to every class throughout the school. Please practice good hand hygiene by washing or sanitizing frequently.
- Students will be dismissed by their entry door, and are asked to leave school property and load busses immediately.
