5. Do your best work all the time:

In Technology it is important to use safe work habits and proper procedures to avoid injuries. Working CAREFULLY and CORRECTLY is always better than working QUICKLY but INACURATELY.

6. IPAD Policy:

In this class students will use their IPAD in a variety of ways including use of e-textbook, online resources, presentation software and graphing calculator apps. During class time it is expected that students will not use IPAD's for **games** or **music**. Failure to adhere to this policy will result in removal of IPAD from student use. While the IPAD contains several good calculators and graphing software programs, students will **not** generally be allowed to use IPADs during **tests** or **quizzes**.
