## Community Involvement (Service) Hours—What counts??

Please check the Tracking Sheet for activities that can be used toward the mandatory graduation requirement of 40 hours of Community Involvement. The requirements have reverted to pre-Covid, and are much more stringent than what was allowed in the past two years. Worthy of note—if the work would normally be paid work by a business, or done for someone in your own family, it cannot be counted. If unsure, call Student Services at NLSS. Students can start earning hours in the summer after they graduate Grade 8.

## School Council

School Council is advisory body to the principal and is made up of parents and representatives from the community. The first meeting of the year will be Tuesday, September 20, 2022 @6:30pm. All are welcome to this hybrid (in person and virtual Teams) meeting. If you are interested, please see our Community Facebook page or call the school.

## New K-12 School

Attachment 2: Proposed School Development (Conceptual Only)

Plans are underway for the design of then new K-12 School in Forest. The land has been secured beside the Shores Recreation Centre. A Transition Committee, with representatives of the four schools (Aberarder, Bosanquet, Kinnwood and North Lambton Secondary) has been meeting regularly. Comprised of principals, teachers, students, support staff and community members, the committee has toured Walkerton District Community School (K-12), Great Lakes Secondary and P.E. McGibbon, as

well as some classrooms in Kinnwood and North Lambton. ROA Studio will be creating some preliminary ideas for public viewing and input. Keep checking the school websites for updates.

The Transition Committee has created Sub-committees to address: Identity (mascot, colours), History (artifacts from each school), Events, Fundraising, Operations and Facilities, and Opening Celebrations. Members from the school communities are welcome to attend Transition Committee meetings as visitors. Minutes, agendas and meeting times and locations can be found on the websites of each of the included schools.
