School Attendance and End of Day Dismissal

Regular school attendance is extremely important for the success of all learners. As difficult as it can be some days, beginning the instructional day on time is an important step in making sure your child achieves their goals this school year.

We would also like to quickly remind parents/guardians that we are unable to accept phone calls that provide students with permission to drive with other students or parents/guardians to extra-curricular activities or change their arranged transportation at the end of the day (e.g. walk with a friend home instead of taking the bus). RDHS always prioritizes student safety and having clear, written permission from a parent or guardian ensures that staff are safely dismissing your child at the end of the school day. Please email your students' teacher or provide your child with a note prior to the beginning of the school day if there is a change in their regularly scheduled dismissal.

Electronic Newsletter

This year, much like last year, to reduce the amount of paper and copying, we are asking that parents/guardians access the monthly newsletter and calendar through the RDHS website. Each month, the newsletter will be posted as close to the beginning of the month as possible. There will be no paper copies sent home. You can bookmark the site using this address <https://www.lkdsb.net/school/RDHS/7-8/Pages/default.aspx#/=>. The school newsletter will also be e-mailed via School Messenger each month.
