Boukili - Free illustrated children's books in French

Create an account for free and add your child's profile. Kids can choose a book to read or have it read to them. Once they are comfortable reading, they can record their voice as they read the book. There are a number of reading levels to choose from. The more books your children read, the more stamps they receive for their passport and clothing they can choose to dress the Boukili mascot. Parents can track progress and check when it's time to go to the next level.
