EQAO

Students in Grade 3 and Grade 6 will be taking part in the provincial Assessment of Reading, Writing and Mathematics. This assessment is administered to all Grade 3 and Grade 6 students in Ontario's publicly funded school system by the Education Quality and Accountability Office (EQAO), an independent agency of the Government of Ontario. EQAO assessment questions are directly based on the expectations set out in The Ontario Curriculum, which is what teachers teach in the classroom every day. For more information about the test, which will be completed entirely online, please visit the EQAO website: <https://www.eqao.com/>
