**October Update 2020**

## Moving Between Face-to-Face Learning and Learn at Home

### October 22 Deadline to request change in learning program

Families wishing to transfer students between Face-to-Face learning and Learn at Home (or vice versa) must notify their school by Thursday, October 22 by noon (12:00 p.m.).

Please contact your home school by phone or email and provide the following information:

- Student name
- Learning model choice (Face-to-Face instruction or Learn at Home)
- Phone number for school to follow-up

Students participating in the Virtual Learn at Home Elementary or Secondary School should contact their home school location to request the change to face-to-face learning.

Students transferring between program delivery (i.e. Face-to-Face learning or Learn at Home) will begin their new program type on Monday, November 16.

Students moving between program delivery choice should anticipate changes in teacher(s).

The Lambton Kent District School Board will attempt to accommodate requests earlier than the timelines for moving between program delivery models; however, this will vary from school-to-school and grade-by-grade and may not be possible. Transportation delays may also occur.

**No action is required for students who are remaining in the same learning model.**

Additional information and resources for parents/guardians is available at: [https://www.lkdsb.net/Board/Community/PublicHealth/parent-guardian-resources/Pages/default.aspx#/="](https://www.lkdsb.net/Board/Community/PublicHealth/parent-guardian-resources/Pages/default.aspx#/=)

## Medication

If your child needs prescription medication administered during school hours, please see the office for an "Authorization for the Administration of Oral Medication" form. It must be completed by the parent/guardian and physician and forwarded to the Principal for each school year.

Over-the-counter medications (e.g., Tylenol, Advil) **will not** be administered by staff and should not be sent to school.

## Student Absences

Regular school attendance is extremely important to the success of all students. As difficult as it can be some days, starting the school day on time is important.

Our Safe Schools Policy requires that parents or guardians notify the school at 519-695-2739 if students will be absent or late. We have an answering machine that will take this information before or after school hours.

It is essential for safety reasons that we are aware if your child is not at school. If we have not heard from you, a telephone call will be made by the school secretary for follow-up on the absenteeism. Late students need to report to the office before going to class and will be given a late slip by the school secretary. We appreciate everyone's cooperation!

**Picture Day:** Due to COVID restrictions, there is currently no picture day scheduled.

## Allergy Alert

Please be advised that Zone School is a Nut Aware school. We ask that the following products not be sent to school:

- Peanuts and all nuts
- Foods containing nuts
- Soya peanut butter, WOW Butter, etc.
- Shellfish
- Scented products (cologne, perfume, etc.)
