THANK YOU FAMILIES

We are still smiling from the memories we made together at Sloan's Christmas Tree Village. Once again, we had an overwhelming amount of family support which made such a difference in being able to give our students even more memorable experiences.

Thank you to our School Council for their generous donations of s'mores and hot dog supplies.

SCHOOL COUNCIL

We are looking for new members to collaborate on school-wide goals.

Our next meeting is **Jan 24th @ 6:30 pm in the Learning Commons.** All welcome. If you have any questions please call 519-337-3295.

INCLEMENT WEATHER & BUS ZONE

We are in **Bus Zone 2.**

To know if buses are running and schools are open you can visit www.schoolbusinfo.com or you can listen to the radio stations. The link to the school bus site is on the school website.

Please keep in mind that in the event of fog, buses that are canceled in the morning will run in the afternoon.

ADDITIONAL WELL-BEING PROGRAMS AND SUPPORTS BEING ADDED

We continue to prioritize our efforts to support student mental health and well-being. We are filled with gratitude for the recent donation from our local Point Edward Optimist and our School Council to help support students in participating in the well-being school-based program provided by our very own Sarnia-Lambton Rebound Team.

Badger Nation will also welcome co-op students from Lambton College's Social Service Worker, Child Youth Care and Early Childhood Education programs, beginning our first week back and until spring. We are excited to have more caring adults to help support us in nurturing more positive well-being experiences for our Badgers.
