

## APRIL 2024

### THANK YOU FROM GRADE 8

We would like to take a moment to thank some of the community partners who have helped raise funds for our graduation activities including the Grade 8 trip to Muskoka Woods this month. Thanks to the Moore Agricultural Society Raffle, they were able to donate \$2270, the Brigden Optimist Club donated \$800 and Burma Acres donated \$200. We are so grateful to our greater school community for your support!

### HELMET REMINDER

Student safety is a top priority and with the return of nice weather, more students are riding their bicycles to school or using their rollerblades, skateboards and scooters. This is just a reminder that all students need to wear helmets to keep safe!

### SPORTS UPDATE

Winter sports are coming to an end and we are happy to report that we had a successful volleyball season with the boys ending up as finalists and our girls clinching the championship!

Basketball will be wrapped up in the coming weeks and we wish our teams the best of luck! Thank you to all our staff, volunteer, and LCCVI student coaches for their hard work and support!

### SPRING FUNDRAISERS

School Council is hosting a school wide fundraiser which is bound to have the students up on their feet, dancing and having a great time! It's time again for the Spring Fling!

Students will collect pledges and dance, dance, dance to earn a chance to win some great prizes on April 26, 2024.

Details to follow soon, stay tuned!

## LUNCH DAYS

Due to a number of events and activities happening in the coming months, hot lunch days will change to once a month for May and June.

This change will also decrease the amount of school staff hours that are dedicated to weekly lunch days. We appreciate your cooperation and understanding through this transition.
