2020/2021: HR #02

MEMORANDUM TO: Lambton Kent District School Board Staff
FROM: Gary Girardi, Superintendent of Education – Human Resources
DATE: September 15, 2020
SUBJECT: New Provincial Daily COVID-19 School Screening

The start of the 2020-2021 school year is underway, and we appreciate your ongoing support to ensure a smooth transition for students as we safely reopen our schools.

The provincial government has released a COVID-19 school screening daily assessment tool, which is available here: <https://covid-19.ontario.ca/school-screening/>

All Lambton Kent District School Board (LKDSB) staff must use the COVID-19 school screening daily assessment tool prior to reporting to work. If you have any concerns, please contact your immediate supervisor or Stacey Elson, Human Resources Officer (stacey.elson@lkdsb.net).

Additionally, all students (or parents/guardians on behalf of students) and visitors must complete the screening before attending a LKDSB school.

If an individual or family does not have access to the online screening tool, they should contact their immediate supervisor to receive a printed copy of the Chatham-Kent and Lambton Public Health Daily Screening Questionnaire.

Should you require information on COVID-19 testing sites, please refer to the links below:

- Chatham-Kent: <http://www.ckha.on.ca/covid-19-information>
- County of Lambton: <https://lambtonpublichealth.ca/2019-novel-coronavirus/testing-criteria/>

Together, we will continue to support safe and healthy schools and workplaces.

Best wishes for a successful school year.
