DECEMBER 2019

FROM THE PRINCIPAL'S DESK...

In November, we participated in many exciting and rewarding learning opportunities. The third week of November is traditionally Bullying Awareness and Prevention week and there were activities to raise awareness in this area. We held four different assemblies that helped to deliver an anti-bullying/kindness message.

During the month of December, there are many exciting December activities planned for the students from JK – Gr. 8. The JK – Gr. 3/4 students will participate in an active excursion to Sloan's nurseries on Dec. 6th. The Grade 6/7 and 7/8 classes will visit Fiddicks and Meadowview as part of a field trip. There are other events and trips being planned as this newsletter is being written.

STAFF CHANGE

In a recent letter to all families, it was announced that Ms. King is retiring at the Winter Break. The Lambton Centennial family would like to wish her an enjoyable retirement and thank her for all that she has contributed to Lambton Centennial over the years.

ONLINE ORDERS

Our online offerings and use by parents continues to grow. Our newest adjustment involves the purchase of milk tickets over this past month which was based on feedback from parents. We will continue to tweak our ordering processes going forward. We have appreciated your patience with our implementation of this system.

LOCAL FOOD BANK DRIVE

Again this year, Lambton Centennial School will be participating in the local canned food drive. We will be collecting canned food and toiletry items from December 2-17, 2019. In past years, the Centennial families have shown tremendous support to our local families in need. Please consider donating non-perishable food items and toiletry items and sending them into school. Every donation helps make "Christmas for Everyone." A special thank you is expressed to Mme Syer and Ms. King and the Spirit Squad for organizing this event again this year.

PROGRESS REPORTS AND PARENT INTERVIEWS

Thank you to all the parents who participated in the interviews with our teachers on November 21st and/or November 22nd. The turnout from parents was impressive. If you did not have the opportunity to meet with your child's teacher, please contact the teacher directly to set up an appointment. Students benefit when the home and school work closely together.

BUS NEWS – WINTER IS HERE? DOWNLOAD THE MySBI APP!

Student Transportation Services is pleased to offer the MySBI mobile app to receive instant notifications of school bus delays, and cancellations. Just download the free app from Android/Apple app stores, and subscribe to Weather Notifications, as well as to your school bus(es). Please visit www.mysbi.ca for additional details.

IN CLOSING.....

We would like to wish all of our Centennial families a very Merry Christmas and a wonderful holiday season. See you again on January 6, 2020.
