Playground Pursuit

Thank you to all those who assisted with and participated in the Spaghetti Lunch. The whole school turned out for this amazing lunch, \$685 was raised for the Playground Pursuit. Our next major fundraiser will be the Auction to take place at LKCS in the cafeteria starting at 6pm on March 21. We are actively seeking donations for items to be auctioned. If you would like to donate, please feel free to contact the school for further details. We would also like to say a big thank you to Hunter Sewell and family for arranging a donation of \$100 from CIBC to go towards the Playground Pursuit.

Projector

A special thank you to Melissa Young, Brandie Elliott, and their families for donating an amazing projector to be used during family events and assemblies. We can see more amazing memories being made with the assistance of our new projector.

Red, Pink and White Day

February 14th will be red, pink, and white day. Please feel free to send in Valentines or snacks should your child want to share these things with their class. Please refrain from sending in anything with nuts.

Pancake Day

On Tuesday, February 13th, School Council will be providing pancakes for the entire school for snack. Thank you to all of those who will be working hard to make this happen.

Grade 8 Graduation Photos

Graduation photos will take place on February 16th, another incredible milestone as our graduates get ready for the next chapter.

Hot Dog Days

The school council will once again be offering hot dog days as a hot lunch option. \$5 for a hotdog, chips and a drink or \$6.50 for two hotdogs, chips and a drink. Orders can be placed through school cash online or money can be sent in with your child using the order form. The school council is seeking volunteers to assist with these lunches and any other activity they are involved in throughout the school year, such as Track and Field Day. If you would like to volunteer, please let the office know.

School Absences and Safe Arrival

Our Safe School Policy requests that if a student is going to be absent, please notify the school at (519) 355-3148. We have an answering machine to record this information before or after school hours. It is essential for safety reasons that we are notified if your child is not at school. The Safe Arrival app can also be used to report absences. If we have not heard from you, a telephone call must be made to confirm the absence. Students arriving late must report to the office upon arrival.

Inclement Weather

If the buses are cancelled in Zone 6, no buses will come to the school. If you are in Zone 4 or 5, they will not pick up students if buses are cancelled in Zone 6. If you are unsure what Zone you are in, please call the school for assistance. Buses that have been cancelled in the morning, due to inclement weather such as ice or snow, will not return students in the afternoon. If parents drive students to school in the morning, they are responsible for picking their children up by afternoon dismissal at 3:10. In the event of dangerous foggy conditions, morning buses will be cancelled immediately. However, when morning buses are cancelled due to fog, students will

be bussed home after school. The decision whether to cancel the morning buses will be made by the bus operators. Parents should listen to their local radio station or check the transportation website at: www.schoolbusinfo.com.
