Playground Pursuit

We would like to recognize Dawn Township for their generous donation of \$3000 for the Playground Pursuit and the Deline family for their generous donation of \$2500 in memory of their Grandfather. We are currently working with the Board on the first phase of our project. Stay tuned for the next fundraising event as we continue to strive for our \$150,000 goal.

Family Fun Night

This fun-filled evening, that coincides with Education Week, will run from 4:00-6:00 on May 9th. The Play Rangers will be set up for outdoor activities. There will be a STEM challenge in the Learning Commons, a make and take in Room 2, and board games and popcorn available in Room 12. Hotdogs, hamburgers and beverages are available if pre-ordered, forms have gone home to RSVP for this event. Please contact your child's teacher or the office if you need a replacement form. We hope to have the Play Rangers outdoors but will have a contingency plan for that night if it rains.

EQAO

This standardized test for students in Grades 3 and 6 will take place from May 8th to June 12th if needed. Our students will be writing May 13th-17th. All students will complete two small sections a day using Chromebooks. Our students have been busy practicing using the devices/tools to ensure they are comfortable with both the device and the format when the time comes to complete the tests. A special treat will be provided to celebrate the completion of EQAO.

Track and Field

Our track and field event will be on May 23rd with a rain date of May 27th. Forms will be sent home for students to pre-order their hotdog or hamburger. Other goodies will be available for purchase on the day of the event. We are still looking for volunteers to help run the events, if you know anyone who would be interested in helping on this day, please contact Mrs. Pickering or Mrs. Faber. The central meet will take place on June 13th at LKCS.

Kindergarten Registration

A Kindergarten Open House will take place on May 29th from 4pm-7pm. All families who have registered or are registering their child are welcome to take part in exploring the playground and join us for a BBQ. If you have not yet registered your child, please come see us to meet the teachers, tour the classroom and have some fun.
