Principal: Mrs. Rachel Pickering
Secretary: Mrs. Elly Carther

Terry Fox Run

Thank you to staff, students and our families for a successful Terry Fox Run this year. We all took the time to acknowledge the loved ones, whether friends or family, affected by cancer and walked in support of them. In total, our students raised just over \$800.

Book Fair

Thank you again to our students and families for supporting our Scholastic Book fair during Meet the Teacher night. Many books were added to our library and classroom libraries thanks to your purchases.

The Playground Pursuit

Our community never ceases to amaze us, some amazing fundraising efforts for the playground pursuit occurred over the summer. The following was raised: \$1413.20 in partnership with Foodland and the Rotary club, approx. \$2300 in partnership with Greg's Tire Shop and the Moulton Family, \$2321.00 in partnership with Dresden Minor Baseball, \$2230 in partnership with Castle Building Supply and the Rickman family and they also donated an additional \$2000. Mr. Bedell donated additional funds for a total of \$1000, Mr. Babula donated \$200, CW Wilson Upholstery and Awning donated \$500 and Mrs. Stephens donated \$100. Thank you for your generous donations and community support.

Ms. Clark's Grade 7/8 is currently running a T-shirt fundraiser with all proceeds also being donated to the playground pursuit. Forms went home; however, if you did not receive one and would like to purchase a T-shirt please contact the office. More amazing events to come – Stay tuned!

Healthy Snack Program

All students have the healthy snack program available to them daily, at both nutrition breaks. We have partnered once again with the Ontario Student Nutrition Program, they provide fresh fruits and vegetables weekly. We are currently seeking donations to supplement the fruits and vegetables, such as granola bars, whole grain cereal and crackers, goldfish crackers, snack baggies and plastic spoons. All donations will be gratefully accepted at the office.

Edge Imaging

School pictures will be taken October 18th by Edge Imaging.

Little Caesar's Fundraiser

The Little Caesar's Fundraiser will take place October 2nd - October 22nd, with delivery of the product scheduled for November 9th. As in previous years, once the kits are organized, they will be available for pick up in the gym that day. I will send out an email to all families when we are ready to begin and will remain at the school until 6pm. Unfortunately, we have no extra fridge or freezer space so all product will have to be picked up by 6pm on November 9th. We will be using the funds raised to help offset some of the cost of field trips and to purchase new books for the library.

Spirit Wear

For families new to the school or those that want to freshen up their spirit wear, our on-line store will be active again on October 16-30th. I will send out the link when it is activated, all purchases are made through the link and merchandise is delivered to the school for pick up or can be sent home with your child/children.

ILLNESS

For the health of the entire school community, parents are encouraged to keep their child at home when they are not well enough to participate in all school activities. Please complete the Ontario Screener for your child each morning - [COVID-19 School Screening assessment tool](#) . When a student is ill, a parent will be contacted to take the child home as soon as possible.
