Congratulations to Mrs K McCabe

It's a GIRL! Congratulations to Mrs. K. McCabe welcoming their baby girl, Carlyn earlier this week.

Education Week

Education week is May 1-5. Our theme is Reconnecting with Communities. Students have been collecting garbage, enjoying our local library and look forward to future visits to the Retirement home. We are happy to welcome back our Horticultural Society for our grade 1-2 flower show on May 10.

Dog Walking

We have had an issue with dog feces on our school yard. We are trying to spread the word if you are walking your dog or know someone who does to please remember to pick up the droppings. We have had several students and staff stepping in dog poop daily. Thank you for your help with this.

Equity, Diversity & Inclusivity

LKDSB Staff attended a PD day on Equity, Diversity and Inclusion. Inclusivity really is a moving target. A quote from civil right activist and poet, Maya Angelou, "When we know

better, we do better” We are grateful for this time to be able to engage in rich learning to be able to provide safe and inclusive learning environments for our students. Gender identity is something we see some of our students struggle with as early as JK and want to ensure we are doing all we can to include and accept every Eagle student. Next month we will be celebrating Pride month and showing support to our 2SLGBTQ+ community. Here is a video we use to help our younger students learn about Pride month and accept all our DACS families [Click here to watch](#) .

School Council

Our next School Council meeting is June 6 at 6:30pm in the library. If you are unable to attend the BBQ but are interested in the VIP Seussical Seating, you will have a chance to make a bid on front row seats during an online auction closer to show dates. More details to come. If you are interested in volunteering for our upcoming BBQ or Primary Track & Field, please reach out to a Parent Council member or the school to indicate your interest. All are welcome!
