Other Items Discussed:

Teachers and Staff decided instead of allowing students to wear their costumes to school on Hallowe'en they preferred to have an Orange and Black Theme Day.

Parking issues seem to be working themselves out with having pylons placed in the circle only allowing for one lane to kiss and drop in front of the school.

As per the Boards Lock Door Policy the Teachers and Staff will be issued Key Fobs to gain access to the school during school hours. All visitors to the school will have to be buzzed in by office staff.

Lena MacMillan and Kari Sulaiman have offered to help with keeping our sign updated with help from other volunteers.

School Amalgamation Update by Joy Mclean: The amalgamation of schools second phase will see changes outside of the city first. No changes affecting Errol Road for the next 2 years as of right now.

Michelle Kember will talk to Mr. Hazzard about the sports jerseys and what we can do to ensure they are returned in good condition as some of them are in poor shape or not being returned. Possible ideas were a 20\$ refundable deposit when jerseys are handed out to students.

Food Drive to be held in October as December is a busier month for Schools and Parents. Will run for 1 week and end on National World Hunger Day.

Next Meeting Date Nov. 8 2016 — 7:00 p.m. start time in the library.

Joy Mclean mentioned the following teachers may attend the next meeting to discuss items needed that Parent Council can help with.

Mr. Jackson, Mr. Hazzard, and Mrs. Hillier
