

April 1, 2022

Dear Parents/Guardians,

Spring has sprung and we could not be happier here! Things are moving along and there is lots to look forward to. Field trips, assemblies and school sports are just a few of the many things we have been planning and beginning to enjoy.

#### **Parent Council Meeting - School Council**

Our next meeting is Tuesday, April 19 at 7:00 p.m. This meeting will be in person in the Learning Commons at the school.

#### **Popcorn Sales**

The Parent Council will be selling popcorn for April 8 and 22. Please look for your School Cash Online notification to make your purchase. If you are not signed up for School Cash Online, please contact the office so we can help get you set up.

#### **Roadrunner Award**

Beginning in March, we honoured two students from each classroom who had demonstrated perseverance in a goal they and their teacher have set for them. It was wonderful to enjoy a whole school assembly and have parents/guardians join us. We look forward to our next Roadrunner Award Assembly on April 28, 2022 at 12:00 pm in the school gymnasium.

#### **EQAO**

Our Grade 3 and 6 students will participate in EQAO this year. We will be sending more information home in the next few weeks.

#### **Graduation**

We welcome parents/guardians of our Grade 8 students to the school on Thursday April 7, 2022, to our first graduation planning meeting. The meeting will be at 7:15 in the learning commons at the school. Our Grade 8 Graduation has been scheduled for Wednesday, June 22, 2022.

### **Bus Transportation Information, Inclement Weather, and the MySBI App**

#### **Our school is in Zone 2.**

If bus routes are cancelled, the school will remain open unless otherwise indicated.

If buses are cancelled in the morning due to fog, they will run in the afternoon for dismissal. **When buses are cancelled for snow and ice, they do not run in the afternoon and if you drive your child to school in the morning, you are responsible for picking your child(ren) up at dismissal.**

Now it is easier than ever to get up to date information about school bus cancellations and delays. All you need to do is sign up for a mobile app that provides subscribers with real-time notifications whenever buses are delayed by 10 minutes or more. The notifications will come in the form of an alert and will also include cancellations due to inclement weather conditions. This app allows subscribers to easily select the morning and afternoon buses for which they wish to subscribe. For additional information about this mobile app, please visit: <http://www.mysbi.ca>

All inclement weather notifications for CLASS operated school bus routes are sent exclusively through the MySBI app. For information and instructions on obtaining the free MySBI app please visit: <http://www.mysbi.ca>

Yours in Education,  
T. Pereira  
Principal
