January 14, 2022

Dear Parents/Guardians,

As most of you are aware the Minister of Education announced that Ontario schools, including elementary and secondary schools within the Lambton Kent District School Board (LKDSB), will be permitted to reopen for in-person learning on Monday, January 17, 2022.

As we prepare to return to school on Monday, January 17, we want to remind staff, students and families about the health and safety measures in place to support a safe operation of schools. Prior to attending school, **all students**, staff and visitors must complete and follow the directions of the daily [COVID-19 School Screening assessment tool](#). At the start of the school day, staff and students will be required to provide confirmation of completion of self-screening prior to or upon arrival to school. Please see below how this confirmation will be collected.

Official Declaration Required - FDK to Grade 3 Students:

Starting on January 17, parents of students in Junior Kindergarten to Grade 3 will receive a School Messenger email at 5:00 a.m. Parents are asked to respond to this email before their child attends school, providing the status of the Ontario COVID-19 School and Child Care Screening.

This is the same process as was completed during the first two weeks of school in September. As parents of students in these grades might remember, after you complete the Screening Tool, you will need to return to the email you received from School Messenger at 5:00 a.m., in which you will see a link that will permit you to report your child(ren)'s Screening School status to the school. **It is this extra step, returning to the email and completing the status declaration that becomes visible by the school.** The Screening Tool itself is not visible to the school.

If we do not receive confirmation from you, we are required to phone you until we receive confirmation. If you require a paper copy of the school screener, please email Jennie.Whitehead@lkdsb.net or Christina.Layne@lkdsb.net and we will send you home paper copies to complete and return to the classroom.

Official Declaration Required - Grade 4 to 8 students:

Parents of children in Grades 4 to 8 are asked to complete the Screening Tool every day in the morning with their child. Each student will declare their Screening Tool status to their teacher during the morning attendance. If a student has not completed the screener, they are asked to complete the screener. **Please ensure you complete the screener with your child or have them complete it so they may report this to their teacher. It saves time if students are prepared to declare the screener said "Go to School" when attendance is taken.**

We have also posted the screener on the school website for your review.

Bus Transportation Information, Inclement Weather, and the MySBI App

Our school is in Zone 2.

If bus routes are cancelled, the school will remain open unless otherwise indicated.

If buses are cancelled in the morning due to fog, they will run in the afternoon for dismissal. **When buses are cancelled for snow and ice, they do not run in the afternoon and if you drive your child to school in the morning, you are responsible for picking your child(ren) up at dismissal.**

Now it is easier than ever to get up to date information about school bus cancellations and delays. All you need to do is sign up for a mobile app that provides subscribers with real-time notifications whenever buses are delayed by 10 minutes or more. The notifications will come in the form of an alert and will also include cancellations due to inclement weather conditions. This app allows subscribers to easily select the morning and afternoon buses for which they wish to subscribe. For additional information about this mobile app, please visit: <http://www.mysbi.ca>
