December Newsletter

We have a few weeks left until winter break! With the winter weather rolling in, it is important to remind students to dress for the weather. Our recesses are only 20 minutes but they are more enjoyable when dressed for the cold. If you are looking for some help with securing hats/mitts/boots/snow pants/coats, please do not hesitate to reach out to the office.

With cold weather comes SNOW. Please take a moment to talk to the children in your homes about safe snow play. Sometimes fun play in the snow turns into injured and/or upset students. While we all love a good ole fashion snowball fight, the school yard is just not the place for it and too often students get injured, so please keep these activities for home.

Dates that are important to your family:

If you notice we are missing a date for December please call the office to let us know. This month we look forward to learning about Christmas and Winter Solstice.

Popcorn Pick Up:

Thank you to Sabrina Knol for organizing the hot lunch sales and popcorn fundraising sale. Popcorn will be sent home on Monday December 12th. Large orders can be picked up at the school on Tuesday December 13th. Thank you to everyone who helped with this fundraising event and who ordered popcorn!

Helipad:

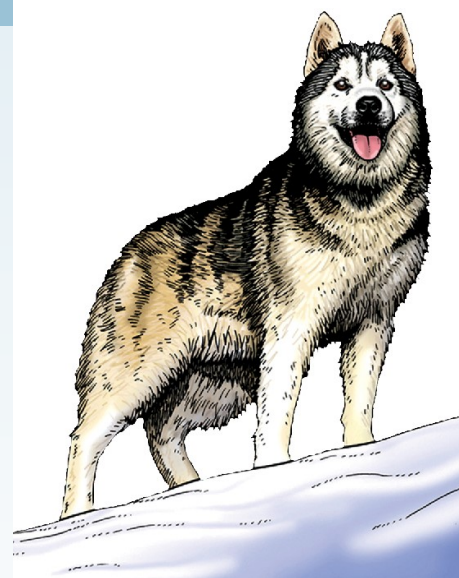

Bluewater Health has informed us that they have clearance to begin using the helipad. We've had a practice drill for when the helicopter is landing, is sitting on the helipad, or taking off.

Student Pick Up:

When possible, please make afterschool arrangements with your child/children and send a note or message to your child's teacher indicating if there are any changes to the normal routine (i.e. appointments, walking vs pick up, no bus, no after school program, etc.) The office is being inundated with calls every day from parents making alternate plans for students.

Volleyball:

A huge shoutout to both our players and our coach for dedicating their time to volleyball this season. We have a few games left and feel that there has been lots of growth on the team! Thank you, Mlle Montpellier Ross, for giving up so many recesses each week to run practices. Thank you to parents for getting the students to the games and cheering them on. Thanks to Mr. Hazzard for convening the league.

Parking Lot Safety:

Please remind students to avoid cutting through the parking lot. There are many cars going in and out and it is difficult to see students. Thank you to all the families who are sticking to our parking lot traffic management plan. This helps to ensure everyone's safety.
