October Newsletter

It is hard to believe that the first month of school is over! Our students have settled nicely into their classes, and new friendships have been established. We are working on key behaviours, actions, and attitudes that will make our learning community positive for everyone:

Dates that are important to your family:

At Hanna Happening, we posted monthly calendars and invited families to add dates that their family celebrates or observes. We want to support each family's celebration/observation by learning about these important dates as a community. Each month we will share these in our monthly newsletter and on facebook. If you notice we are missing a date please call the office to let us know. We look forward to learning about Thanksgiving, Diwali, and Halloween over the month of October.

Student Information Verification Forms

We have some outstanding verification forms. It is important to verify your email and phone number is correct so we can contact you. If you have not done so, please send these forms in. If you need another form sent home, please let the office know.

Helipad

In the month of October we will have an awareness and safety presentation to our students about the Helipad. We have 2 potential dates, October 14th and October 21st. There is potential to view an air ambulance (helicopter) as well. Should the helicopter need to be used for emergency services, we will not get to view it at the helipad. The safety presentation will proceed regardless. Please look for and return the permission form that will be sent home shortly.

BUS ZONE:

Thank you for your efforts in making our parking lot safer. We have new lines painted that will assist vehicles to know where to drive and also assist students to know where they can walk. Please do not drive or park in the bus loading zone between 8:30am - 9:00am and 2:40 pm - 3:30pm. Parents who need to walk students to the gate must park in the parking lot. Please discourage students from walking through the parking lot as this poses a significant safety risk. Please see cklass website for a clear image of the School Traffic Management Plan. →

HALLOWEEN ACTIVITIES

Halloween celebrations will take place on Monday, October 31st. Our student leadership team, composed of grade 7/8s will be making decisions for special events on this date and themes for attire on that date. Please stay tuned to our facebook page and to your classroom's digital platform for further information.

Please note, students are allowed to hand out individually packaged Halloween treats on this date. In no way is this an expectation.
