

CHOOSE LOVE

For the month of February, students and staff of Harwich Raleigh are "Choosing Love!" Choose Love is a nonprofit organization that looks to provide and support refugees and displaced children and families across the globe. With the ongoing occupying war situations throughout countries around the globe, Choose Love works to provide vital support with things like lifesaving search and rescue boats, to food and supporting the education of children. Our goal as a school is to purchase all of the available items valued at \$750. Participating in this opportunity allows us to support the lives of children and families affected by situations greater than our understanding.

What we need from students and families! Spread the knowledge to friends and families! Using school cash online you can select a donation amount of your choice: \$2, \$5, or \$10. You can donate as much as you would like and whatever quantity you desire. Any donation will be much appreciated!

If you are not connected to School Cash Online, please use and share this link to make a donation to our school campaign.

<https://lkdsb.schoolcashionline.com/Fee/Details/38911/197/False/True>

The student who collects the most amount of money will win a "Choose Love" swag bag filled with a scholastic voucher for a book of choice (\$10 value) and some "lovely" items.

For more information and details concerning the organization please scan the QR code or head to the website provided.
