Principal's Message

The last weeks have brought with them new routines and new challenges. This has been a time of transition for our students, our families, and our staff. However, despite these challenges, the King George community has been working hard to stay connected. Our teachers, educational assistants, early childhood educators, custodians, and office staff have been working closely with staff across the LKDSB to support continued learning opportunities for our students.

Over the course of these last weeks, we have all been learning new things as we engage with virtual learning environments. Our students continue to share their learning with staff and with one another. Parents and families in our community are also working to support their children, often while juggling the demands of the current situation. There are great things happening at our school and across the LKDSB. I want to thank everyone for their continued engagement, hard work, and perseverance. The strength of the King George community has become very apparent as we navigate these changes and challenges together.

Staffing Changes

Please join in welcoming Mrs. DeeAnna Stokes as our new Vice-Principal. Mrs. Stokes joins King George after being the Acting Principal at Merlin Public School since September. Mrs. Stokes replaces Mrs. Johnston. We would like to thank her for filling in as our Acting Vice Principal. Below is a message from Mrs. Stokes

Hello King George Families,

My name is Mrs. Stokes and I am happy to join your King George School Team as your new Vice-Principal. I have heard such great things about the learning that is taking place in our new Learn-from-Home model and your amazing School Spirit. I look forward to getting to support you the best way I can in the coming weeks and meeting you on virtual platforms. Stay Safe Kings!

In other staff changes Mrs. Mallette will be going on Maternity leave in the middle part of May. Mr. Adam Poirier will take over as our French teacher for the remainder of the year. Mrs. Mikel our Educational Assistant is also going on maternity leave in the middle of May. Mrs. Tina McFadden will be taking her position for the remainder of the year. We can't wait to see all the baby pictures for our newest Kings! Best Wishes to Mrs. Mallette and Mrs. Mikel.

Grade 8 Graduation Update:

Due to our unprecedented situation the LKDSB has postponed graduation for this school year. We are investigating other options including a potential fall date. Further information will be shared once we have a clearer idea of community restrictions. Thank you in advance for your understanding of this matter.

Graduation

May 16th Miracle
