JUNE 2021

Dear Knight Families,

As we near the end of a very challenging year defined by the pandemic, I would like to thank our entire school community for their resiliency and tolerance during these times. A special thank you to our educators for their ability to pivot easily between in school and online learning and provide effective programming to our students. Thank you to parents and guardians for being ready to embrace online learning and supporting student attendance and focus during this time. Finally thank you to our students for their continued efforts to be in class, completing assignments and making the best of a difficult time. The efforts of all have been remarkable this entire school year.

We look forward to a summer where our Knight families can rejuvenate and enjoy time with one another. A time where students can just be children, have fun and move forward into a new school year at KGVI.

As the summer progresses, the Ministry and LKDSB will continue to determine which protocols will be in place for the fall. We will receive these directions in the near future so we can make sure our students are well prepared to come back to a safe environment. We will do our best to forward all information as we are informed.

Once again, thank you for your consistent cooperation and understanding as we work collaboratively to achieve a successful school year. We look forward to moving through the pandemic and getting all of the students back to King George!

Kind Regards,

Tracy Pereira
Principal

CHARACTER DEVELOPMENT As we continue to work with students on appropriate behaviour and character development, our focus is based on the four agreements of TRIBES and the LKDSB Character Attributes. June is "Citizenship" month at King George. We are active and responsible members of our community. Recipients will be awarded virtually in their classroom at the end of the month.

SCHOOL COUNCIL Our next school council meeting is scheduled for **September 2021**. Thank you to all the parents/guardians who attended the School Council meetings this year and contributed to decisions that impact our school community.

The School Council would like to thank everyone for participating in the Giresi's fundraiser, the fundraiser raised over \$600.00. Proceeds from the fundraiser will be used to support honouring our Grade 8 graduates this year with a special gift.

REPORT CARDS Final reports cards will be sent home on June 25, 2021. The method for how these will be provided to families will be determined on upcoming announcements.

CLASSES FOR NEXT YEAR As per our LKDSB Transition Plan all students will be informed who their teacher will be for the next school year. This announcement will be included in the final report card. Please note that class lists are tentative and are subject to change based on school enrollment. If you have any questions regarding this, please contact Mrs. Pereira at the school.

SCHOOL PHOTOS School Photos are available for pick in the office. You are welcome to come anytime between 9:00 and 3:30. Just buzz the office at the front door and someone will bring them out to you.

GRADUATION The Grade 8 Graduation ceremony will be held on June 24. Families of the Grade 8 students will be forwarded a link that afternoon to enjoy a virtual ceremony with their families. We wish our graduating students well in their futures and thank them for their leadership over the years.

NEW "KNIGHTS" We would like to welcome our new families and their FDK children and other registered new students! We look forward to seeing you in the Fall!

MOVING? If you have moved or are moving this month, please let the office know before the end of the day on June 28th. As well, if you are planning on moving during the course of the summer, please contact our office during the last week of August so that the appropriate changes can be made to class lists, transportation, etc. We ask that if you are aware of other families moving in/out of our area to do the same.

FUNDRAISING We would like to add new playground equipment to our Kindergarten Yard in efforts of furthering student coordination, stamina, and all-around well-being. Our school committee will be seeking support for this initiative as we progress back to a normalized school environment. If you have access to financial grants via work or through an organization, please call Mrs. Pereira at the school.

SCHOOL BUS

Go to www.cklass.ca for all student transportation details...

- **Transportation details** available after August 15th
- **Courtesy seat applications** accepted starting August 3rd @ 10am
- **Final seating assignments** available on the portal after August 31st
